

Top PMI-Certified Professional

# Samia Waqar – Certified Success

## PMI Authorized Training Partner – Premier

As a PMI Authorized Training Partner (ATP) – Premier, we deliver PMI-aligned programs that meet the highest standards of instructional quality, ethics, and relevance. This ensures our clients receive accurate, current, and globally recognized guidance aligned with PMI's evolving view of project success and value delivery.

## About SNSCCS

SNSCCS is a specialized professional education institute and a one-stop destination for all major PMI® certifications in project management. We support professionals across project, program, portfolio, risk, agile, business analysis, PMO leadership, and AI-enabled delivery through a single, trusted academy. Our programs are designed to grow with your career, eliminating the need to switch providers as you advance. By delivering complete PMI® certification pathways under one roof, SNSCCS ensures consistent standards, structured learning, and expert guidance at every stage of professional growth.

## Why Choose Us

S&S Coaching and Consulting Services (SNSCCS) is a PMI® Authorized Training Partner (ATP), delivering official PMI course content aligned with global certification standards. Led by highly certified PMI professionals, we provide expert guidance, structured exam preparation, realistic practice tests, and flexible learning options. Our programs are designed to turn real-world experience into recognized PMI® credentials, helping professionals achieve certification success and long-term career growth with confidence.

## Courses Designed for Career Growth

Our courses are tailored for professionals seeking globally recognized PMI® credentials. Each program follows a structured pathway, combining official PMI content, real-world insights, and expert support to ensure certification success and long-term career impact.
